

NOMUDA

YOU. ARE. REEDU.

Regaining consciousness you realize you're on the dangerous world of Veridia. But how did you get here?

All you see around you are the aggressive plants that give this jungle its infamous reputation. You'll have to explore the surreal terrain and defeat exciting, mind-bending puzzles as you unearth the planet's secrets.

Highlights

- First Episode in the "Reedu" series of adventure games by Nomuda
- Rich 3D environment to explore
- 7 addictive and challenging touch puzzles, including motion tracking, top-down shooters, and logic puzzles
- Debut title from hot young studio
